Wednesday, September 2, 2015
4:00-6:30 p.m.
Ford Auditorium

The Technical Standard Workshop is an initiative that addresses the need for standards education of Case students and faculty by offering an opportunity for discussions with standards developing organizations & industry representatives. Technical standards are recognized as essential for the global economy & economic growth.

**Moderator:** Bradley Lerch, Ph.D., FASM, NASA Glenn Research Center

**Introduction to Standards | 4:00-5:15**

Hae Choe, Director of Standards, Association for the Advancement of Medical Instrumentation (AAMI)
Monte Botagz, Chair, Committee on Education, American National Standards Institute (ANSI)
Jeff Adkins, Manager, Technical Committee Operations, ASTM International
Greg Orloff, Government Relations Officer, North America and Europe, CSA Group
Howard Wolfman, P.E., Institute of Electrical and Electronics Engineers (IEEE)
Bradley J. Schmidt, P.E., Standards Program Manager, Underwriters Laboratories (UL)

**Break | 5:15-5:30**
Snacks and refreshments will be provided.
