Preparing for the online application & assessments

- Update your resume with your latest information and accomplishments
- Set aside time to apply when you're completely free of distractions
- Take it seriously, the results matter

Success Drivers Assessment

- Take as much time as you need to complete – this is not a timed assessment. Some applicants have taken between 20-30 minutes to complete.
- Available in over 20 languages

When given a project deadline, what have you been most likely to do:

- Begin working on the project immediately
- Spend time thinking how long the project will take and plan accordingly
- Start work on the project a week before the deadline because you are busy with other projects
- Ask for an extension on the deadline if you are pressed for time

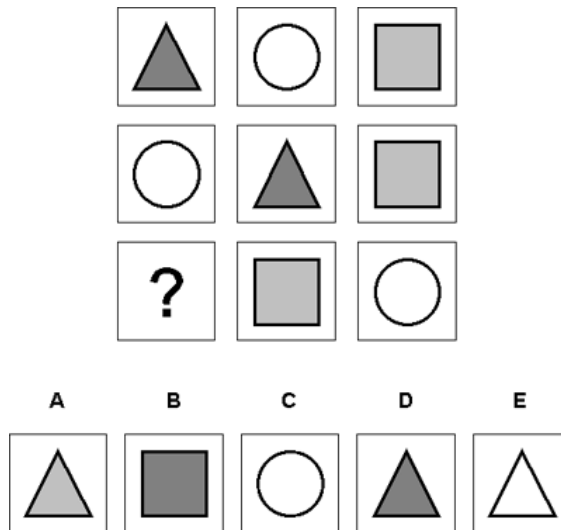

When organizing a work team, you have selected those who:

- Have different strengths
- Have the most technical expertise
- Cooperate with each other
- Follow instructions
- Think like you

Reasoning Screen (BS/MS only)

- Delivered online following the Success Drivers Assessment
- 15 questions – 2 ½ minutes to answer each one
- All figural content

In Summary...

- Apply online and complete Reasoning and Success Drivers Assessments by Oct 20 deadline.
- Specific Job codes are available on the handouts.
- Sign up for Interviews if notified of selection
